RE: STARVING ARTIST UPDATE(S)

It's a nasty job but, this book must get finished as the rent is already past due and the old, cranky gal who runs this flee bucket is pounding on the door as I scream (in multiple languages):

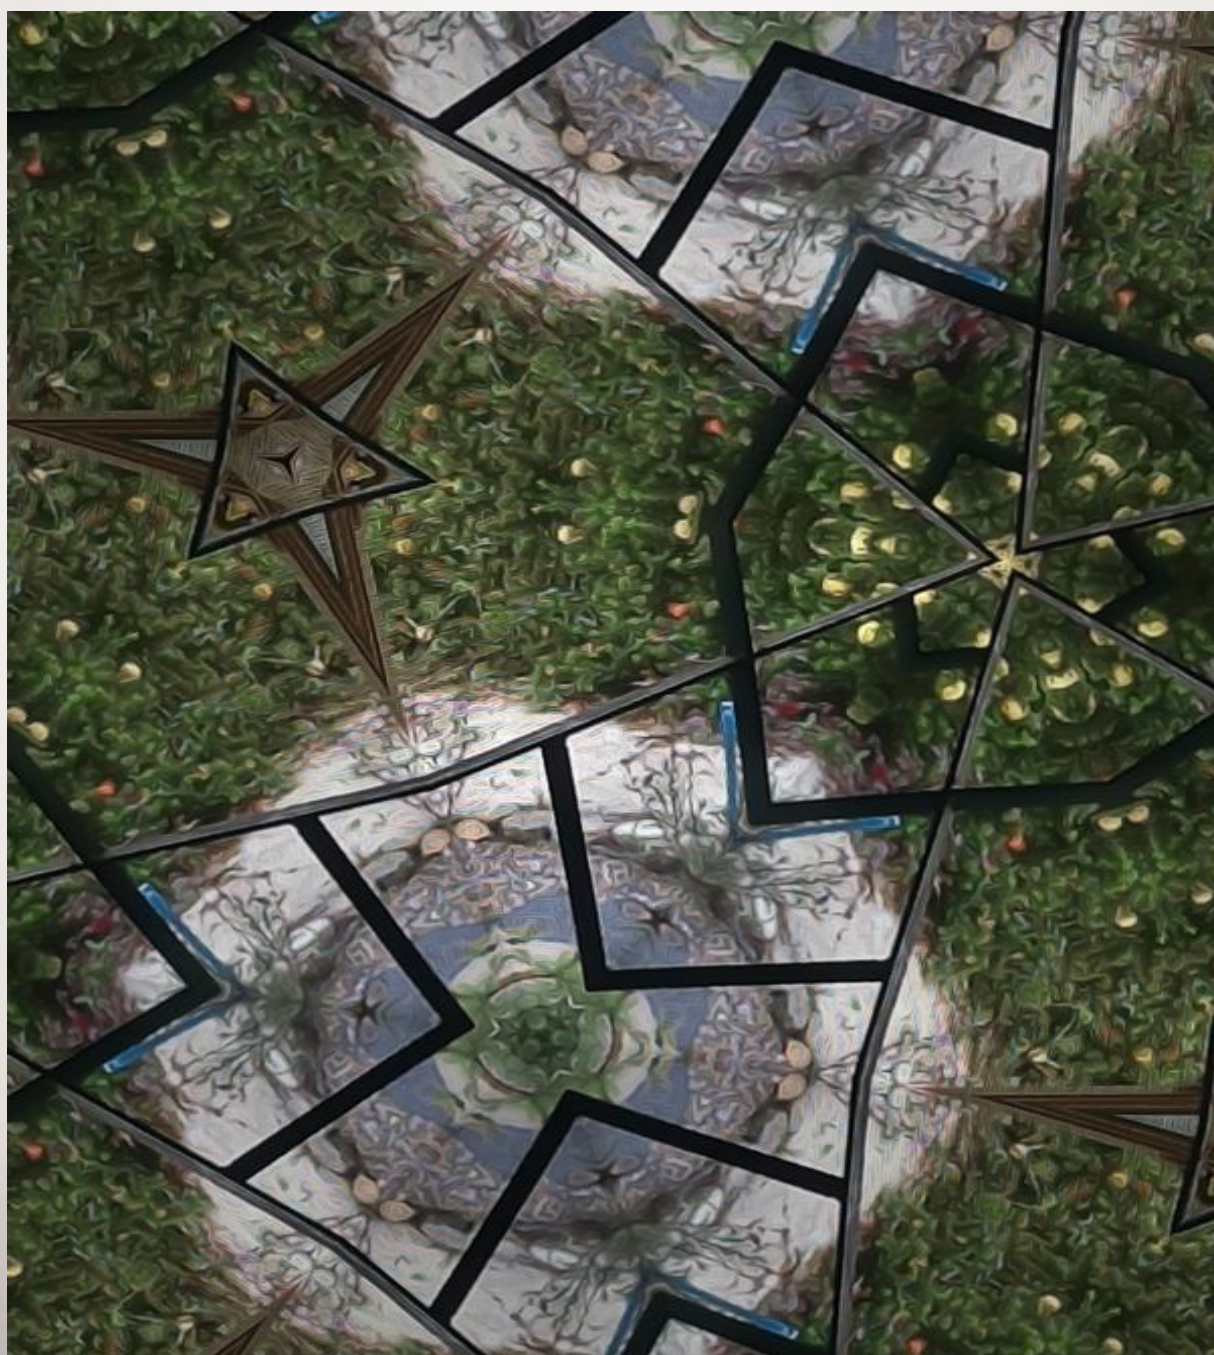

"There is NO one at home...Please leave a message at the beep..."

Hey! I thought it might work...?

RE: STARVING ARTIST UPDATE(S)

I am writing to warn that just when you thought it was safe to leave your command bunker; I awoke up and realized that my rent was past due and now you know why the city's emergency broadcasting network was prematurely activated, today...

Emil GOF Zombie Samples to the left, to the right and Karl yelled out his window for everyone to get inside as them Zombie Samples were just one block over...begging for smokes or change towards a happy meal with their name on it!

RE: STARVING ARTIST UPDATE(S)

My Uncle Albert from East Chicago
(the made man who specialized in
fire insurance for small companies -
before Antifa and the homeless
flooded the market...long, sad tale)
called me up from a pay phone down
on South Beach (semi-retired now
except for his part-time gig with
imports and travel) and had what
might be a good gig...

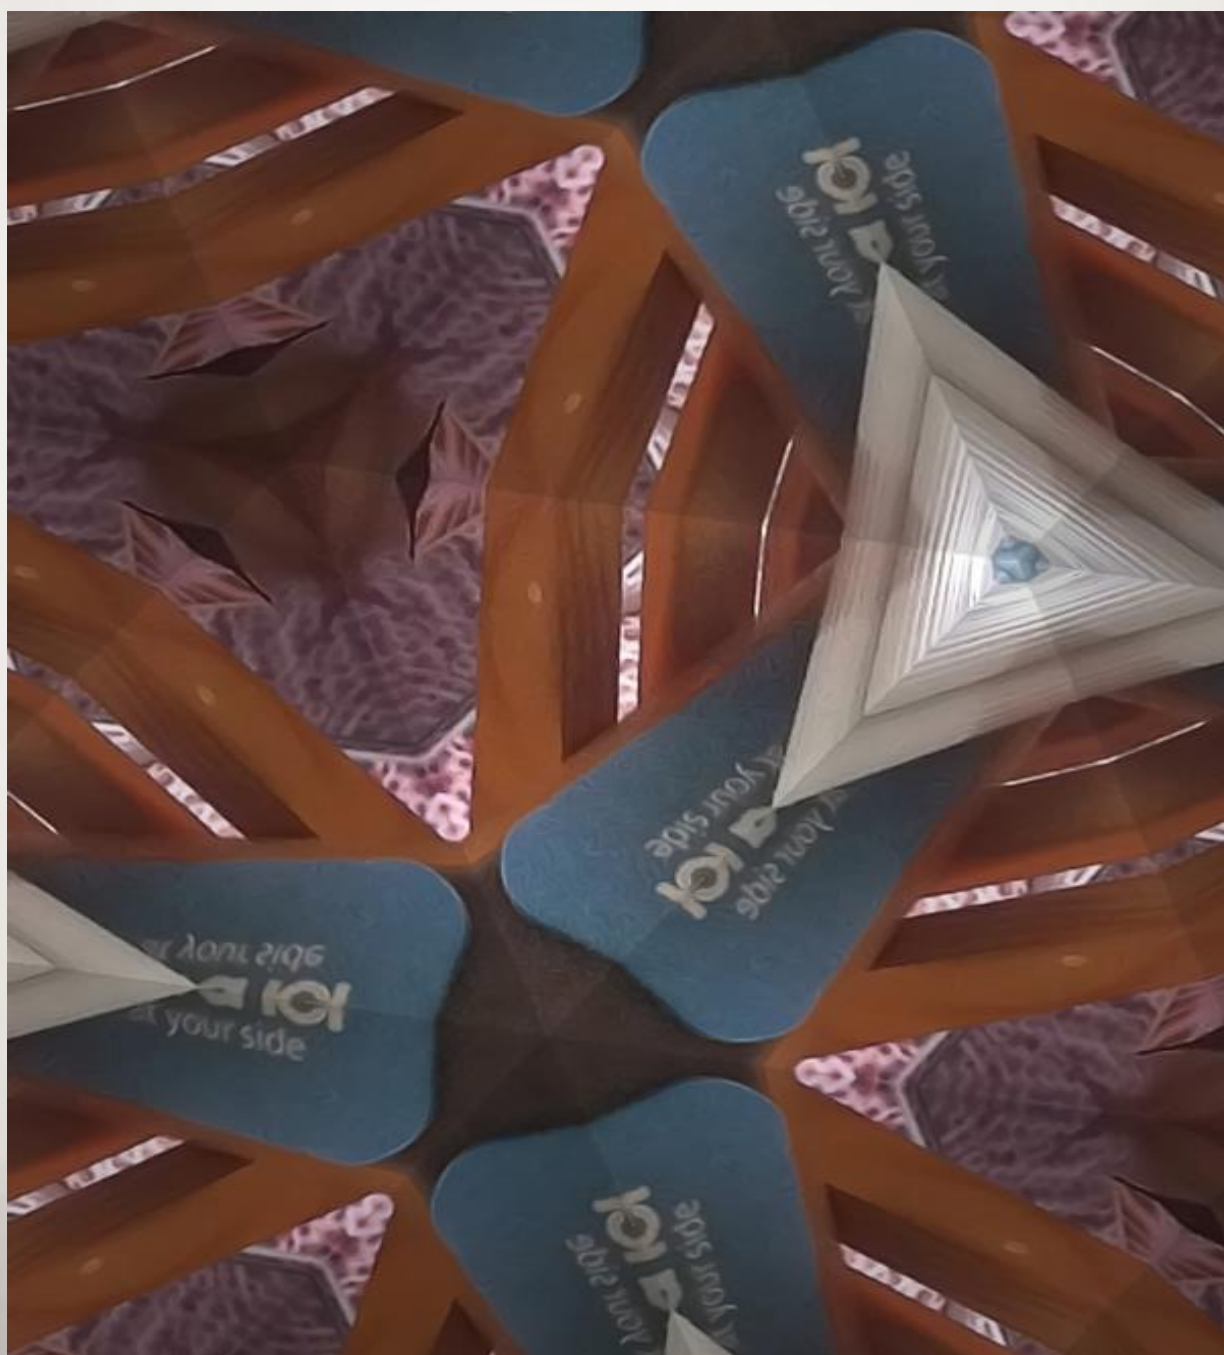

His ideal was to market Emil GOF
Zombie Sample Insurance...

I told him that I would think about
it.

LOOK!

I nicely and with a right proper sense of due diligence advised you and that scary lady down at the CDC about a misfortunate lab leak over at the Outlaw Sample Lab (right outside of Burbank) of a rather nasty 7th Generation of GOF Emil Zombie Samples.

In that the scary lady spent precious hours that could have actually contained the leakage's spread scolding and correcting misuse of pronouns - to which (I must admit)

I did add to this conversation with a rather wide and extensive usage of "forbidden" verbs and adverbs that I am not allowed to reprint in this setting.

It's on you Bubba!

Round up the kids, pick up the cat and head down to the safety of your command bunker (in your mom's basement).

Good Luck!!!

"Forgive me my sins" I admitted that it was the Curry Pancake Mix that did all those bad things as I was still left at the bar unable to get the barkeep to advance my bar tab...

"For a drink today, I will gladly pay you, next Tuesday?"

Your Honor...Sir...

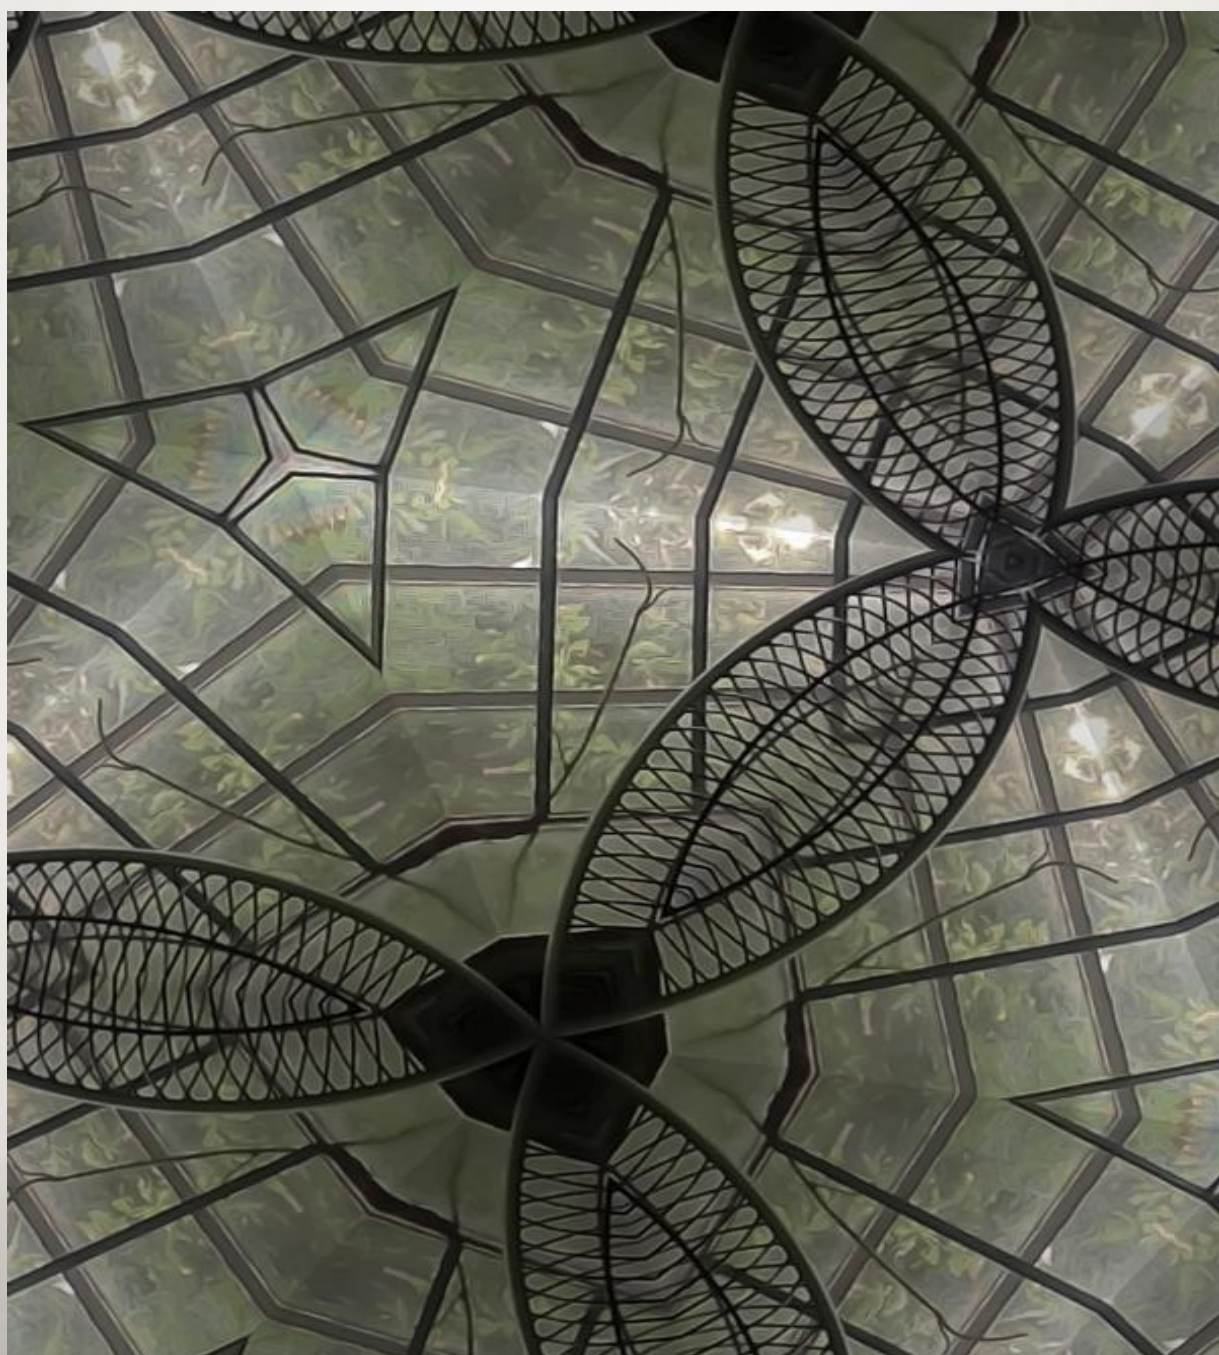

I haven't a clue as to how the Emil Zombie Samples got the keys to my car...they did what?

Does my Gecko Insurance cover that?

Like...I would blame it on the Bossa Nova or on the Bad Man Putin/Trump but, that has been done so many times that it is the OG of all of the Lamest lies...

So, I am now claiming it:

"I blame it all on freebasing the Curry Pancake Mix"*

or better and shorter without the need to fear the war on drugs thugs showing up on my door or having the cartels/CIA come by wanting a piece of the action.

The newest Emil GOF Sample Book is now (as we speak) off to the publisher in an unmarked envelope by means of those great guys/gals/unbio types of the DHL Delivery Service(s)... Yes, Campers! Coming soon...to random porches throughout your neighborhood...

I am afraid that I can fact check this as true.
